

APPLIQUE TEMPLATE

APPLIQUÉ

Step-by-Step Instruction

YOU WILL NEED:

- Background fabric
- Appliqué fabric pieces
- Scissors
- Pins or fabric glue
- Needle and thread or sewing machine
- Iron

Appliqué is the art of stitching fabric shapes onto a background fabric.

1 PREPARE YOUR DESIGN

Draw or print your design. Cut out templates for each shape.

2 CUT FABRIC PIECES

Place templates on fabric and cut out each piece. Add 1/4" seam allowance around each piece.

3 ARRANGE YOUR DESIGN

Arrange the pieces on your background fabric. Move them around until you are happy with the layout.

4 SECURE PIECES

Pin the pieces in place or use a small amount of fabric glue to hold them temporarily.

5 APPLIQUÉ – STITCH

Using a needle and thread, use a small blanket stitch or a tight zigzag stitch around the edge of each piece.

6 STITCH ALL PIECES

Continue stitching around every piece until all shapes are securely attached.

7 PRESS

Gently press the back of your work to set the stitches.

8 ENJOY YOUR APPLIQUÉ!

Your beautiful appliqué is ready! Use it on quilts, bags, clothing, or home décor.

TIPS FOR SUCCESS

- Use small, even stitches for a neat finish.
- Choose fabrics with good contrast so your design stands out.
- Practice on scrap fabric first.
- Be patient and enjoy the process!
